

LAI Live

Design Services

LAI Live is pleased to present an extensive offering of design services that amplify your brand's messaging and maintains your connection to your audiences in digital, print, and experiential environments.

Interactive Digital Report *(Length can vary)*

Present on-message content in lieu of an event in the form of an interactive digital document. Designed and presented on an online publishing platform with animated page-turns, clickable links, embedded videos, and engaging articles.

Executive Livestream Promotion Package

Enhance the attendee experience and promotion of an executive livestream with:

1. Promotional Email Graphics
2. Branded Assets for Hosting Website
3. Social Media Promotional Campaign Support
4. Paid Advertising Design Support
5. Branded Livestream Set Design Elements
6. Companion Print/Digital Post Report

Industry Calendar

Stay connected to the minds of your audiences with a calendar or scheduling planner that highlights your organization and industry's key events, dates, and actionable reminders throughout the year.

Social Media Campaign *(Lite or Multi-Platform)*

Amplify your messaging on social media with professionally-designed infographics and unique content.

State of the Organization Report

Update key audience segments with tailor-made digital content capturing a year of accomplishments.
